

Dear parents and guardians,

This March, Medicine Hat Christian School will be hosting its annual Reading Challenge. Kids keep track of their reading time and are entered to win prizes.

Please help your child keep track of their time spent reading and be sure to initial and turn in the weekly forms by the date listed. Forms will be distributed and collected weekly.

Time spent reading to or with your child counts! Audiobooks count! E-books, regular books, and magazines count! Let's help our kids learn to LOVE reading!

The Reading Challenge will run for three weeks, from March 11-31.

Thank you for helping your child learn to love reading!
